**ACTIVITIES: LEARNING ABOUT HISTORY ON HISTORIC PLACES,
WORKSHOPS ON CURRENT SOCIAL AND POLITICAL ISSUES,
INTERCULTURAL ENCOUNTER AND FREE TIME ACTIVITIES**

WHY ARE WAR GRAVES IMPORTANT RESOURCES?

LONG TIME HORIZON

WW I + II are ever more distant, but their impact goes on until today.

CULTURE OF REMEMBRANCE

War graves are places of individual mourning and of collective commemoration of the consequences of war. They remind us that peace and understanding among nations have to be achieved together.

GENERATIONAL CHANGE

War graves remind us that things that occur self-evident today had to be achieved by our ancestors, like human rights.

WHAT MAKES OUR YOUTH CAMPS A UNIQUE EXPERIENCE?

LEARNING AT A HISTORIC SITE

War grave cemeteries are authentic places of history. Museums, memorials and talks with eye witnesses help to dive into history deeply.

TEAM BUILDING

You'll experience funny free time activities together. By exchanging different views you will learn from each other. You will achieve your goals together.

EXCHANGE AND ENCOUNTER

First international experience for many participants, improvement of language skills and making international friends.
